SUMMARY

I am a B.Tech student with a focus on Computer Science, seeking to leverage my skills and knowledge in a challenging role within a dynamic MNC. My strong coding skills and problem-solving abilities were honed through relevant projects and internships, enabling me to work efficiently under pressure. I am eager to contribute to the progress of the organization while continuing to enhance my skills.

EXPERIENCE

Intern

EduSkills provided by AICTE and Blackbuck Engineers provided by IIDT

📅 04/2024 - 06/2024 📍 Chowdepalli

Internship at various organizations to enhance technical skills

- Successfully completed a 3-month Cloud Security Virtual Internship during April-June 2024, supported by ZSCALER.
- Successfully completed an 8-week Full Stack Development internship, supported by APSCHE.
- During my internship, I learned new technologies and worked on related projects.
- I gained experience by learning new skills and working on real projects.

EDUCATION

B.TECH(CSE)

Mother Theresa Institute Of Engineering And Technology

📅 08/2021 - 05/2025 📍 Palamaner

GPA

7.5 / 10

INTERMEDIATE (M.P.C)

Sri Gayatri Junior College

📅 08/2019 - 05/2021 📍 Tirupati

GPA

7.6 / 10

HIGHSCHOOL (S.S.C)

Z.P.H.S

📅 08/2018 - 05/2019 📍 Chowdepalli

GPA

9.0 / 10

LANGUAGES

Telugu
Native

English
Proficient

STRENGTHS

Professional Attributes

Strong problem-solving skills and coding abilities, quick learner, ability to work under pressure, and responsible individual.

SKILLS

Java Python Django HTML

CSS Java script JSP SQL

JDBC Cloud Security

TOOLS

GIT Windows VS Code

Eclipse MS Office

PROJECTS

Online Exam Management System

📅 01/2024 - 03/2024

Online Exam Management System is designed to streamline the process of conducting online examinations.

- Developed a web-based platform for conducting online examinations using JavaScript, HTML, and CSS for the front-end and Java, JSP, and SQL for the back-end.

Youtube Transcript Summarizer

📅 08/2022 - 09/2022

Summarizer is a tool that automatically generates a summary of the content in a YouTube video by analyzing the transcript of the video's audio.

- This mini project is developed using front-end technologies.

INTERESTS

Personal Interests

Engaging in sports and coding practices, alongside enjoying music and movies.
